Subject: Consider and act upon amending the City's ordinance regulating Sexually Oriented Businesses. (Planning & Development Services)

Action Requested:

Consider and act upon amending City ordinance number 04-04-30 to reflect recent court decisions and the Texas City Attorneys Association (TCCA) study of secondary effects of sexually oriented businesses.

Background Information:

The Texas City Attorneys Association (TCAA) study of secondary effects of Sexually Oriented Businesses (SOB) was presented on December 2, 2008. The study was commissioned due to recent court rulings regarding off-site SOB's. The study provides support that off-site SOB's have a measurable negative effect on surrounding properties and supports the cities position that restrictions should be established to reduce those negative effects.

Board Review/Citizen Input: Not applicable.

The City Council may:

1. Approve.
2. Table.
3. Deny.

Financial Considerations:

The following fees have been established to cover staff time in reviewing the application, renewing the application and performing background checks.
